

A/C SHINE®

CLEANER / PROTECTANT

For A/C Outdoor Unit Painted Surfaces

A/C Shine is specially formulated to clean and protect the painted metal surfaces of outdoor A/C condensing units. Cleans dirt & stains, restores shine, and leaves a protective finish against harmful outdoor elements like UV rays and salt air. It sprays on and wipes off quickly and easily without water. Use A/C Shine on every service call.

DIRECTIONS: For outdoor painted metal surfaces of A/C condensing units, generators and other painted outdoor equipment. Shake can well. Spray a section of the unit and wipe off with a soft cloth. Turn cloth and wipe lightly to enhance shine. Reapply for stubborn dirt or greater shine. Use A/C Shine at least once a year to clean and protect A/C Units. Use on painted surfaces only.

DANGER

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. May displace oxygen and cause rapid suffocation.

PREVENTION: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn even after use. **RESPONSE: IF SWALLOWED:** immediately call a POISON CENTER or doctor. Do NOT induce vomiting. **STORAGE:** Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Store locked up. **DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

WARNING: This product can expose you to chemicals including Methyl isobutyl ketone, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
