

EASY TO INSTALL

Install into any residential or commercial ducted air conditioning system. The iWave-C requires a four inch hole in duct. Mount in air return between filter and coil so it treats coil and living space. Install indoor or outdoor with included weatherproof housing.

FEATURES

- World's First Self-Cleaning System
- Duct Mounted
- No Maintenance!
- Capacity Does Not Reduce Over Time
- No Replacement Parts
- Produces No Harmful Byproducts - 0.00ppm Ozone¹
- Universal Voltage - Accepts 24, 120, or 240 VAC
- Provided with Weatherproof Housing for Indoor/Outdoor
- Digital Display
- Alarm Contact for Monitoring
- UL and cUL Approved

¹ Tested and passed UL 867-2007 ozone chamber test.

iWave-C is a revolutionary self-cleaning, no maintenance air purification system designed for proactive purification of home, school, office, restaurant, and other commercial establishments using patented cold plasma technology. iWave-C uses the same air cleaning approach as nature.

iWave-C vs. Other Market Options:

Benefit	iWave-C	UVPCO Ionizers	UV Light
