## LEAK STOP FLARE SEALS

- ▶ Engineered 45° flare seals for the HVAC/R market
- ▶ Field proven, OEM approved
- ▶ Creates confident leak-free flare connections
- ▶ Prevents costly refrigerant leaks
- ▶ Reduces unwanted call-backs
- ▶ Improves the integrity of any flare fitting
- ▶ For new or systems already in service
- ▶ Applications: mini-split systems, thermostatic expansion valves, flow control valves, filter-driers, high/low pressure controls, pilot lines and more!
