

4291-92

APPLICATION:

Nu-Brite® Ultra Concentrate is a heavy-duty condenser coil cleaner. Nu-Brite Ultra's performance is equal to one gallon of Nu-Brite but reduces the package size by 75%. It is formulated with the best foaming detergents designed to quickly penetrate and dissolve greasy soils. The high foaming Nu-Brite Ultra lifts dirt out of the coil.

Nu-Brite Ultra's advanced, biodegradable formulation is tough on grease and grime. It provides a clean and bright outdoor coil. It is not recommended for indoor use or microchannel coils. For indoor, painted, or microchannel coils, consider Tri-Pow'r Ultra or Evap Pow'r Ultra..

DIRECTIONS

DO NOT USE ON INDOOR OR ALUMINUM COILS. FOR OUTDOOR USE ONLY. DOES NOT CONTAIN ACID.

THIS PRODUCT MUST BE USED IN ACCORDANCE TO THE FOLLOWING DIRECTIONS BY HVACR PROFESSIONALS ONLY.

1. Disconnect power from equipment. Goggles, gloves and other protective gear must be worn when using this product.
2. Identify your application and prepare proper dilution based on the Dilution Chart. When using Nu-Calgon Coil Gun, set to E (10:1).
3. Spray cleaning solution on to dirty coil, allowing solution to emulsify and break down grease and grime for 5-10 minutes. Rinse thoroughly with water and return unit to service.

*Not compatible with Clean Connect Sprayer

DILLUTION CHART

LIGHT	4 OZ/GAL
MEDIUM	8 OZ/GAL
HEAVY	10 OZ/GAL
COIL GUN	SETTING E

AFFECT ON ROOFING MATERIAL: Roofing material can be affected by coil cleaners (e.g. discoloration or tarnishing). The product is safe on rubber except where the rubber roof is impregnated with aluminum chips. Do not use on galvanizing or standing seam metal roofs. It is recommended that the coil cleaner be tested on a small area of the roof prior to cleaning.

DANGER

Causes severe skin burns and eye damage.

PREVENTION: Do not breathe mist or vapor. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. **RESPONSE: IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **STORAGE:** Store locked up. **DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

KEEP OUT OF REACH OF CHILDREN.
