

This highly active solvent blend provides maximum performance in a degreasing solvent without the use of ozone depleters or chlorinated solvents. Powerful blasting spray removes grease, oily dirt and contaminants. This special formula is also suitable for cleaning equipment, tools, and parts.

**DIRECTIONS FOR USE:**

**This product must be used in accordance to the following directions by HVACR professionals only.**

Remove cap and insert extension tube provided into spray tip. Hold can upright and keep tip pointed at dot on valve cup. Spray parts liberally and allow to run off. Air or towel dry with clean, soft wiper. Repeat as necessary. Protect rubber, fiberglass, and plastic parts from over spray.

**IMPORTANT:** Do not spray on hot or warm surfaces. This product will affect certain plastics, rubber, various elastomers, and some paints. Always test in an inconspicuous area to check product for compatibility.

Vapors from this product may travel or be moved by air currents and ignited by pilot lights, other flames, smoking, sparks, heaters, electrical equipment,

static discharge, or other ignition sources at locations distant from point of product use. Adequate ventilation must be provided during use. Waste oil contaminated with this product poses a flammability hazard.

Contains heptane and acetone. Extremely flammable. Use only in a well ventilated area. Do not use near heat, sparks, open flame or other sources of ignition. Do not smoke in use area. Harmful or fatal if swallowed. Do not take internally. If swallowed, do not induce vomiting. Call physician immediately. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

**NOTE:** Due to its volatile organic compound content, this product is prohibited for sale and use in the states of California, Colorado, New Hampshire, and Utah.

**CONTAINS (CAS#):** Acetone (67-64-1), Benzene(71-43-2), Carbon dioxide (124-38-9), Heptane (142-82-5), Naphtha (petroleum), hydrotreated light (64742-49-0), Toluene (108-88-3), Xylene (1330-20-7).

**DANGER**

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May be fatal if swallowed and enters airways. Causes skin irritation. Causes serious eye irritation. May cause drowsiness or dizziness. Suspected of damaging fertility or the unborn child. May cause cancer. May cause genetic defects. May cause damage to organs through prolonged or repeated exposure.

**PREVENTION:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Do not breathe gas. Use only outdoors or in a well-ventilated area. Obtain special instructions before use.

Do not handle until all safety precautions have been read and understood. **RESPONSE:** IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash it before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF INHALED: remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF exposed or concerned: Get medical attention. **STORAGE:** Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Store locked up. Keep container tightly closed.

**DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.

**KEEP OUT OF REACH OF CHILDREN.**
