**Blackhawk**  
EVAPORATOR & CONDENSER  
COIL CLEANER

**FEATURES:** Blackhawk Evaporator & Condenser Coil Cleaner, a top choice among contractors, is an expanding foam cleaner that deeply penetrates coils to remove grease, grime, and oily residue. It's safe for use in occupied buildings with no objectionable fumes, making it ideal for various commercial applications like refrigerators, coolers, and freezers. This versatile cleaner is safe and effective on both traditional and microchannel coils.

**DIRECTIONS:** For use by HVACR professionals. Ensure proper ventilation.

- Turn off or disconnect unit power and clear away heavy dirt from the coil.
- Wear goggles, gloves and other protective garments should be worn. Shake can, spray cleaner on coil.
- Wait 5-10 minutes before rinsing coil.
- Evaporator - no rinse if condensation is available. Condenser and other applications - rinse with water.
- For heavy soils, repeat application if necessary.
- Return unit to operation.

**APPLICATIONS:**

- Condenser and Evaporator Coils
- Kitchen Equipment
- Walk-in Coolers and Freezers
- Metal Grills, Exhaust Hoods, and Washable Filters

**SAFE FOR APPLICATIONS IN FOOD PROCESSING AREAS:** Blackhawk is a safe and effective cleaner for use in kitchen areas, excluding direct or indirect food contact surfaces. It should be used with precautions to cover or remove food products, and any food preparation surfaces cleaned with it should be rinsed with potable water before use.

**WARNING**  
Contains gas under pressure; may explode if heated. Causes serious eye irritation.

**PREVENTION:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not pierce or burn, even after use. Wash thoroughly after handling. Wear eye protection and face protection.

**RESPONSE: IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

**STORAGE:** Protect from sunlight. Store in a well-ventilated place. Do not expose to temperatures exceeding 50°C/122°F.

**KEEP OUT OF REACH OF CHILDREN**

**CONTAINS (CAS#):** Aqua (7732-18-5), Propane (74-98-6), Butane (106-97-8), Ethoxydiglycol (111-90-0), Butoxyethanol (111-76-2), Sodium Hydroxide (1310-73-2), Ethylene Glycol (107-21-1), Ethoxyethanol (110-80-5).
