Cal-Blast II

CONDENSER COIL CLEANER

Blasting Spray Action

No-Rinse Cleaning Power

Effective on All Coil Soil

Pleasant
Citrus Scent

DANGER

EXTREMELY FLAMMABLE.
MAY BE FATAL IF SWALLOWED.
SKIN IRRITANT.
PRESSURIZED CONTAINER.

For Professional Use Only.
Keep Out Of Reach Of Children.

Net Wt. 13.6oz.
(385 Grams)

FEATURES:

Cal-Blast®II delivers powerful, no-rinse cleaning for condenser coils with a high-solvency formula that blasts away grease, grime, and other tough soils. Its pressure-spray action penetrates deep into coil surfaces, flushing contaminants quickly and leaving no residue behind. Cal-Blast II is nonconductive and designed to restore system efficiency while saving valuable service time.

APPLICATIONS:

- Condenser Coils
- Window Air Conditioners
- Mobile Condenser Coils
- Small Commercial Condenser Coils

DIRECTIONS:

For use by HVACR professionals only. Ensure proper ventilation.

Turn off or disconnect unit power and clear away heavy dirt from the coil.

Wear goggles, gloves and other protective garments.

Ensure nothing behind the coil can be hit by spray. Place a cloth underneath for protection.

Spray the entire coil, using the blast pressure to loosen debris.

Let the cleaner flush soil onto the cloth. Once dry, remove the cloth.

IMPORTANT: The product may affect certain plastics including those used in newer model drain pans. Do not allow product to remain in contact with these materials. Wipe immediately with an absorbent media such as paper or cloth towels.

DANGER

Extremely flammable aerosol. Pressurized container; may burst if heated. May be fatal if swallowed and enters airways. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. May cause drowsiness or dizziness.

PREVENTION: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Avoid breathing spray. Wash hands, forearms and face thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection, face protection, and hearing protection.

RESPONSE: IF SWALLOWED: Immediately call a POISON CENTER or a doctor. Do NOT induce vomiting. **IF ON SKIN:** Wash with plenty of water. Take off contaminated clothing and wash it before reuse. If skin irritation or rash occurs: Get medical advice or attention. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or a doctor if you feel unwell. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

STORAGE: Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122 °F.

DISPOSAL: Dispose of contents and container to a hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

KEEP OUT OF REACH OF CHILDREN

CONTAINS (CAS#): Acetone (67-64-1), n-Heptane (142-82-5), Nitrogen (7727-37-9), D-Limonene (5989-27-5), 2,6-Octadienal, 3,7-dimethyl- (5392-40-5). For more ingredient information visit www.nucalgon.com.
