## Evap Foam<sup>®</sup> No Rinse

EVAPORATOR COIL CLEANER

*Heavy Duty Foaming Cleaner*

---

**Self-Rinsing, Fast Breaking Foam**  
**Cleans and Deodorizes**  
**Breaks Up Tough Dirt & Grime**  
**Non-Corrosive to Metals & Plastics**  
**Pleasant Lemon Scent**

KEEP OUT OF REACH OF CHILDREN.

FOR PROFESSIONAL USE ONLY

**NET WT. 18 OZ. (510 GRAMS)**

**FEATURES:** This high performance product is a heavy duty foam detergent in the convenience of an aerosol. It is suited for use on most coils such as window air conditioners, roof top HVAC units, auto radiators, small air cooled equipment, small condenser and evaporator coils. It can be sprayed in any position while the blasting stream easily reaches into tight areas. The detergent quickly and easily liquefies dirt, grease, oil, or other residue and deposits. The product will not harm drain pans, plastics, metals, or other materials in and around the area. Simply spray on and condensation generated will wash away the emulsified material. The pleasant lemon fragrance helps leave area not only cleaned but deodorized.

**DIRECTIONS FOR USE:** This product must be used in accordance to the following directions by HVAC professionals only.

1. Turn off or disconnect power to unit being serviced.
2. Remove any heavy or matted soils prior to applying Evap Foam No Rinse.
3. Shake can well and thoroughly saturate coil starting at the bottom.
4. Foam will break and condensation will completely rinse the emulsified material.
5. If adequate condensation is not available, rinse with water.
6. Repeat application, if necessary.
7. Adequate ventilation may be needed to clear any remaining scent of the product.

**PREVENTATIVE MAINTENANCE TIPS:** Apply Cal-Shield<sup>®</sup> coil protectant to enable coil operation at designed efficiency. Use Gel Tabs<sup>™</sup> condensate treatment to protect from foul odors, backups and costly overflows.

**DANGER**  
Contains gas under pressure; may explode if heated. Causes severe skin burns and eye damage.

**PREVENTION:** Do not breathe the fumes, mists, vapors or spray. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection, and face protection.

**RESPONSE: IF SWALLOWED:** rinse mouth. Do NOT induce vomiting. **IF ON SKIN:** Take off immediately all contaminated clothing. Immediately rinse with water for several minutes. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Immediately rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. Get emergency medical help immediately. Wash contaminated clothing before reuse.

**STORAGE:** Store locked up. Protect from sunlight. Store in a well-ventilated place.

**DISPOSAL:** Dispose of contents/container to an appropriate treatment and disposal facility in accordance with applicable laws and regulations, and product characteristics at time of disposal. **KEEP OUT OF REACH OF CHILDREN.**

**WARNING:** This product can expose you to chemicals including ethylene glycol (ingested), which are known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

**Contains (CAS#):** Aqua (7732-18-5), Butoxyethanol (111-76-2), Butane (106-97-8), Surfactant (TradeSecretSurfactant 100), Ethoxydiglycol (111-90-0), Propane (74-98-6), Ethylene Glycol (107-21-1), and Ethoxyethanol (110-80-5).
