# Nu-Blast®

## CONDENSER COIL CLEANER

*No Rinse Required*

High Solvency Cleaning Power

High Pressure Blasting Nozzle

Nonconductive

Great on Stubborn Soils

Leaves No Residue

Pleasant  
Citrus Scent

This high performance aerosol product offers maximum cleaning of condenser coils. The high solvency formula and blasting nozzle powerfully separates the undesirable materials from the surface.

**DIRECTIONS FOR USE:**

**This product must be used in accordance to the following directions by HVACR professionals only.**

1. Spray in well ventilated area as this product has a fragrance that will be objectionable to some people.
2. Be certain there is nothing behind coil that could be hit by spray. Place cloth or other protection under coil.
3. Spray entire coil surface, allowing blast pressure as well as cleaner to work. Thoroughly wet entire surface.
4. Allow the product to flush soils from the coil onto the cloth. Once the coil surface is dry by evaporation, cloth can be removed.

**IMPORTANT:** The product may affect certain plastics including those used in newer model drain pans. Do not allow product to remain in contact with these materials. Wipe immediately with an absorbent media such as paper or cloth towels.

Vapor harmful. Contains Trichloroethylene. Use with adequate ventilation to keep exposure levels below the 25 parts per million O.S.H.A. permissible exposure limit (PEL) during an eight hour period (time weighted average).

**NOTE:** Due to its volatile organic compound content, this product is prohibited for sale by Nu-Calgon into California.

**CONTAINS (CAS#):** Trichloroethylene (79-01-6), Carbon Dioxide (124-38-9), Epichlorohydrin (106-89-8), oils orange, sweet (8008-57-9).

**DANGER**

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation. May cause drowsiness or dizziness. Suspected of causing genetic defects. May cause cancer.

**PREVENTION:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. Avoid breathing mist or vapour. Contaminated work clothing should not be allowed out of the workplace. Use only outdoors or in a well-ventilated area. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

**RESPONSE: IF ON SKIN:** Wash with plenty of water. If skin irritation or rash occurs: Get medical attention. Take off contaminated clothing and wash it before reuse. Specific treatment (see information on this label). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **IF INHALED:** remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF exposed or concerned: Get medical attention.

**STORAGE:** Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Keep container tightly closed. Store locked up.

**KEEP OUT OF REACH OF CHILDREN.**

**DISPOSAL:** Dispose of container in accordance with local, regional, national and international regulations.
