Tri-Pow'r HD

**EVAPORATOR & CONDENSER
COIL CLEANER**

Detergent • Degreaser • Deodorizer

**Great for use on Permanent Filters,
Fan Blades and General Cleaning**

Ideal for Microchannel Coils

Expanding Foam

Metal Safe

Nonfood Compounds
K5

EXCELLENT DEGREASER AND CLEANER: Tri-Pow'r® HD aerosol is a pleasantly scented heavy duty foaming alkaline cleaner that lifts dirt as it emulsifies grease and grime. Formulated for maximum versatility and metal protection when used as directed. For use with air cooled condensers and evaporators and other applicable surfaces. Ideal for microchannel coils.

DIRECTIONS FOR USE: This product must be used in accordance to the following directions by HVACR professionals only.

Always wear protective eyewear and gloves when using any chemical. Turn

off or disconnect power to equipment being serviced. Remove any heavy or matted soils that can easily be dislodged by hand. Do not spray into electrical components. SHAKE WELL before using. Remove cap and point toward outdoor coil or other surface to be cleaned. Wait for 5-10 minutes for foam to liquefy and remove grease and grime within the coil. Rinse the coil with water.

INDOOR COIL: Tri-Pow'r® HD aerosol can be used with the Talon Aerosol Wand (4776-0). Apply, wait 5-10 minutes and rinse with water spray bottle or immediately resume system operation and allow condensate generated to promptly self-rinse coil.

DANGER

Contains gas under pressure; may explode if heated. May be corrosive to metals. Causes severe skin burns and eye damage.

PREVENTION: Keep only in original packaging. Do not breathe mist or vapor. Wash thoroughly after handling. Wear protective gloves, protective clothing, eye protection and face protection. **RESPONSE:** Absorb spillage to prevent material-damage. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water or shower. Wash contaminated clothing before reuse. **IF INHALED:** remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER or doctor. Specific treatment (see information on this label). **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

STORAGE: Store in a corrosion resistant container with a resistant inner liner. Store locked up. Protect from sunlight. Store in a well-ventilated place.

KEEP OUT OF REACH OF CHILDREN.

DISPOSAL: Dispose of container in accordance with local, regional, national and international regulations.

CONTAINS (CAS#): Aqua (7732-18-5), Propane (74-98-6), Butane (106-97-8), Potassium Hydroxide (1310-58-3), Sodium Silicate (1344-09-8), Sodium Carbonate (497-19-8), Morpholine (110-91-8).
