**FOR OUTDOOR HVAC EQUIPMENT:**

A/C Shine is expertly designed to clean and protect the painted metal surfaces of outdoor HVAC equipment. It removes dirt and stains, restores shine, and leaves a protective barrier against harsh outdoor elements like UV rays and salt air. The easy spray-on, wipe-off formula requires no water, making it a quick and efficient solution. Use A/C Shine on every service call for a polished, long-lasting finish.

**DIRECTIONS:**

For use by HVACR professionals. Ensure proper ventilation.

Shake can well. Spray 10-12" from surface.

**DRAGON TOWELS** Wipe off with a Dragon Towel™.

Flip the Dragon Towel™ and gently wipe to boost shine.

Reapply for stubborn dirt or to attain a deeper and brighter shine.

Apply A/C Shine at least once a year to clean and protect equipment.

Note: Use on painted surfaces only.

61118

**Nu-Calgon**

**DANGER**

Extremely flammable aerosol. Pressurized container: may burst if heated. May be fatal if swallowed and enters airways.

**PREVENTION:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use.

**RESPONSE: IF SWALLOWED:** Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **STORAGE:** Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C / 122°F. **DISPOSAL:** Dispose of contents/container to an appropriate treatment and disposal facility in accordance with applicable laws and regulations, and product characteristics at time of disposal.

**CONTAINS (CAS#):** Aqua (7732-18-5), Naphtha (petroleum), heavy Alkylate (64741-65-7), Isobutane (75-28-5), Dimethicone (63148-62-9), Methanol (67-56-1), 1,4-Dioxane (123-91-1), Sodium Hydroxide (1310-73-2).
