

GREEN SELECT PRODUCTS:

Nu-Calgon's Green Select coil cleaners are formulated with natural, renewable ingredients derived from plants and other eco-friendly resources. To support this commitment, the ingredients are continually re-evaluated to ensure they are the best available under Nu-Calgon's Green Select program. Besides being a highly effective cleaner, Green Clean meets U.S. EPA Safer Choice Program standards, making it a safer choice for the user and the environment. Visit www.epa.gov/saferchoice.

Green Clean is a pleasantly-scented product designed for rapid removal of grease and other heavy soils. It penetrates quickly, emulsifying the soil deposits for easy rinsing. It is safe, non-toxic, biodegradable and nonflammable.

FEATURES

Ready to Use All-Purpose Cleaner: Powerful cleaner, degreaser, and deodorizer for multiple cleaning applications.
Rapid Grease Removal: Eliminate grease and heavy soils by quickly emulsifying deposits.
Pleasant Scent: Clean with an pleasant fragrance while also freshening and deodorizing.
Elevate Cleaning with Foam Spray: Increase the effectiveness of your cleaning process by using Nu-Calgon's 4770-0 50P Sprayer with the foam tip spray feature.
Versatile Dilution Choices: Tailor the dilution strength to match the soil load and type, providing flexibility across various cleaning tasks.
 Visit www.nucalgon.com for more dilution details.

APPLICATIONS:

- HVACR equipment and tools
- Countertops and work benches
- Walls, floors, and upholstery
- Glass, mirrors, and stainless steel

DIRECTIONS: Spot test on an inconspicuous area before full application. Do not use on suede, leather, opals, or pearls.

Liberally spray a uniform coating on surface to clean.

Wear goggles, gloves and other protective garments. Mix Green Clean cleaning solution according to dilution chart and apply to surface.

Optimize cleaning efficiency by letting the product dwell on heavily soiled areas for a brief period before wiping or rinsing.

If necessary, scrub the surface gently with a sponge or brush to help loosen stubborn dirt or stains before rinsing thoroughly with water.

Use Nu-Calgon's Dragon Towels to damp-wipe or dry the surface.

For heavy soils, repeat application if necessary.

Green Clean
ALL-PURPOSE CLEANER

Concentrated Cleaner and Degreaser

Environmentally Friendly Choice

Pleasantly Scented Deodorizer

ENVIRONMENTAL, ECONOMICAL CHOICE: Green Clean is the cleaner of choice for the environmentally conscious user. It is formulated with select ingredients chosen from the EPA's Safer Choice program to be both biodegradable and safer for consumers and businesses.

The powerful, concentrated formula can be diluted according to the soil load and type, providing up to 30 times the amount of cleaning solution. Controlling the dilution strength increases the number of cleaning applications available.

DANGER
Causes serious eye irritation.

PREVENTION: Wear eye protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor.

STORAGE: Store away from incompatible materials.
