KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed, harmful in contact with skin.
RESPONSE: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. **IF ON SKIN (or hair):** Rinse skin with water/shower. **IF INHALED:** Remove victim to fresh air. **IF SWALLOWED:** Immediately call a doctor/physician. Rinse mouth. Do NOT induce vomiting. **DISPOSAL:** Dispose of contents/container to an approved waste disposal plant.

WARNING

1. Remove the PurCool Green from the package.
2. Locate proper placement for the PurCool Green within the condensate pan.
- 2a. The PurCool Green should be away from the drain line opening and in a location where it will achieve maximum contact with the condensate.
3. Place the PurCool Green in the condensate drain pan so that it sits flat on the bottom of the pan.
4. Replace the PurCool Green after 4-6 months.

If the pan is noticeably clogged, first use the Nu-Calgon Gallo Gun or Drain Solve to clear the clog before placing in the PurCool Green.

Directions:

For use by HVAC professionals.

- Prevents Condensate Pan Overflows
- Maintains Free Flowing Drains
- Lasts Up to 6 Months
- Eliminates Drain Pan Odors

- Dissolves Completely
- Safe for Metal and Plastic Drain Pans
- Utilizes Plant Based Ingredients
- Improves Indoor Air Quality
